MINEXPO 2024: Unveiling Our Largest Booth Ever and Unprecedented Innovations

Ground Force Worldwide and TowHaul: Your Partners in Mining Excellence.

We are excited to invite you to our most comprehensive exhibition to date, featuring eight pivotal pieces from our core product lines. Taking center stage at the Central Hall, booth #6393, we will present an array of mining support solutions including fuel and lubrication delivery, watering systems, hauling and towing capabilities, and road maintenance.

In a testament to our dedication to innovation and responsiveness to customer feedback, we are thrilled to introduce our groundbreaking new electric cable solution, offering a higher level of safety and efficiency to your electric cable moving program. This latest addition to our product line is a direct result of listening to and addressing the needs of our customers, offering a safer and more efficient solution than has ever been available.

Understanding the commitment our customers make to attend this event, we have marshaled all our resources and advancements to ensure comprehensive access to our full suite of products and services. We are delighted to announce the presence of our esteemed partners, FMS Group of Australia (formerly Field Mining Services Group), at our booth to showcase their exceptional products and services offered throughout the Australian market. Our mission is to exceed the rigorous demands of the mining industry with precision-engineered equipment that sets new benchmarks for operational efficiency and reliability. Designed to endure the harshest mining environments, our equipment portfolio guarantees peak performance and safety. Our global reach extends to over 75 countries, where we provide exceptional equipment and expert support to enhance mining operations worldwide. Our unwavering commitment to quality, reliability, and safety, coupled with a customer-first mindset, guarantees world-class product support.

We invite you to experience our latest breakthroughs in mining support solutions at MINExpo 2024. Visit us from September 24-26 at the Las Vegas Convention Center, Central Hall, booth #6393, and witness firsthand how we're driving innovation for our customers. Discover the difference with Ground Force Worldwide and TowHaul – your trusted partners in global mining support.
