

Limited Warranty

All assemblies manufactured by Ground Force Manufacturing, LLC dba TowHaul, will be warranted against defects for a period of 12 months from in-service date (labor not included) or 18 months from time of shipment from factory, whichever comes first.

*All hydraulic components and other parts will be warranted according to the coverage afforded by the component manufacturer (labor not included). Costs of lost production time during equipment repair is not warranted. **Warranties do not apply to assemblies that are subjected to capacity overload.***

This warranty does NOT cover freight costs, damage due to external causes, including accident, abuse, misuse, capacity overload, or repairing or modifying not authorized by TowHaul in writing.

Warranty does not cover electrical and hydraulic components removed from TowHaul packaging prior to assembly.

This warranty becomes null and void if installation is not supervised by a TowHaul Authorized Service Technician.

This warranty becomes null and void when the product is disassembled, welded upon, or in any way materially altered without prior written approval by TowHaul.

Parts Return

Authorization for return of components must be obtained by calling the TowHaul Service Department for a claim number or going online to towhaul.com and submitting a warranty claim. The authorized return must be shipped freight prepaid and marked with the claim number.
